It's The Most Tax-iest Time of the Year<sup>[1]</sup>

Well, the Taxman<sup>[2]</sup> he's yelling, and we're all foretelling lots of increases, oh dear!

It's the most tax-iest time of the year

It's the tax, tax-iest season of all

With those tax forms<sup>[3]</sup> completing

And tax heavy meetings when clients come to call<sup>[4]</sup>

It's the tax, tax-iest season of all

There'll be functions for hosting<sup>[5]</sup>

Great blogs we are posting<sup>[6]</sup>

And tax planning out in the snow<sup>[7]</sup>

There'll be scary CRA/IRS stories

And tales of tax glories from great planning long long ago

It's the most tax-iest time of the year

There'll be much to-and-fro-ing

And bank accounts will be glowing<sup>[8]</sup>

When tax plans give cheer

It's the most tax-iest time of the year

There'll be taxes for filing

And adults will be crying<sup>[9]</sup>

And carolling out in the snow<sup>[10]</sup>

There'll be CRA/IRS assessments

And big-ticket investments of tax plans spun long long ago

It's the most tax-iest time of the year

There are taxes still owing

And hearts won't be glowing

When tax increases are here!

It's the most tax-iest time

Yes, the most tax-iest time

It's the most tax-iest time of the year

<sup>[1]</sup> With apologies to Andy Williams and his song, "[It's The Most Wonderful Time Of The Year.](#)"

<sup>[2]</sup> When we say Taxman, we are referring to Justin Trudeau and his gang of tax elves such as the Canada Revenue Agency and the Department of Finance.

<sup>[3]</sup> We also mean CRA tax forms, IRS tax forms, corporate documentation, immigration work, trust and estate planning documents, financial statement review / preparation, and other related Moodys Private Client services.

<sup>[4]</sup> Calling us on our various firm phone numbers is not toll-free. Please check with your service provider for your various data charges.

<sup>[5]</sup> Including our firm's annual MPC University, our many webinars / seminars and our firm's social functions (such as patio parties).
